

Pastor William A. Benson

LETTER FROM THE PASTOR'S DESK

September 5, 2022

To my spiritual sons and daughters,

Greetings in the matchless name of Jesus!

September finds Total Deliverance poised and ready to embrace new beginnings as we enter this season of harvest. Rejuvenated and refreshed, we bid a fond farewell to summer and take stock of the task God has set before us, and an awesome task it is!

I am filled with eager anticipation to partner with you in implementing the fresh vision God has given me to diligently pursue **Kingdom building with purpose** and **Kingdom business with excellence** (#KBP/#KBE). I am humbled that God would position this ministry to lead by innovative example in these areas, particularly in this new, post-Pandemic, virtual-optional, hybrid-required, efficiency-focused Church era. God has specially equipped Total Deliverance to embrace and optimize the efficiencies of this age, yet “remove not the ancient landmark which [our] fathers have set,” and of which we are reminded each time we set foot in this church, the *Church that Caldwell built*.

Not only that, He has assigned to this particular Harvest unmatched abundance — more than we can hold (collectively and individually), but the work ahead requires you, me, all of us to tend to it diligently...

As you've seen in our auxiliary-recruitment video campaign over the past several weeks, we are taking our operations to a new level. There are new and exciting opportunities for you to roll up your sleeves and get involved in the work that is at hand.

My charge to you in this month of September is to **take your place in this season; get involved in an auxiliary — bring your talents, ideas and commitment**. Know that YOU are the answer to the prayer Lady Benson and I prayed to the Lord of the Harvest, years ago.

In closing, I offer **September's sustaining thought**: ***We are up to the task, you are the called and therefore readily equipped.***

May God bless you and keep you, which is my earnest prayer
